Sub: Submission of Original Treasury challan against Suspense Head.

Sir,

It has been noticed with deep concern that receipted copies of original treasury challan being received from the District are very less in number in comparison to yester years.

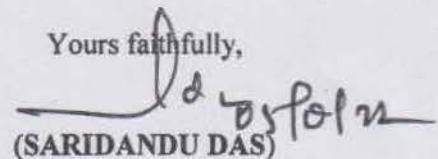

As all of you are aware that release of fund from the Finance Department under Suspense Head for procurement of seed and fertilizer is directly proportionate with submission of original treasury challan. But in spite of repeated request and persuasions made in the monthly state level meetings, submission of original treasury challan for recoupment of Suspense Account is very less.

All concerned are hereby asked to adhere utmost sincerity in preparation and submission of APR's to Main Seed Store of the Agri. Sub-Division just after distribution of inputs to the farmers and raise T/c Bill for adjustment by the concerned SA's within 15 working days of distribution of inputs.

Any deviation of above time limit shall attract personal liability of the staff concerned.

This is for information and strict adherence by all concerned.

Yours faithfully,

  
(SARIDANDU DAS)  
Director of Agriculture &  
Farmers Welfare  
Government of Tripura
