DECLARATION

(D.N.I.E.O.I No.F.2(7)/ TSHM/ 2016-17/ 1066, dated 21 / 11 / 2017)

Title of E.O.I:- Expression of Interest for Empanelment of beneficiary for execution of subsidy oriented components under MIDH by the Directorate of Horticulture & Soil Conservation, Government of Tripura during 2017-18.

I do hereby declare that I have personally gone through the relevant Notice Inviting E.O.I and understood all the clauses, specifications of items, instruction of the DNIEOI and having been fully satisfied , I have shown my interest to avail the subsidy. This is further to certify that I have suppressed no facts in the process which could debar me to participate into the bidding process. If it is revealed after opening of the bid that any fact is suppressed by me, authority shall have the right to reject my submission along with other stern action against me as per terms & conditions of the E.O.I. I do affirm that all the terms & conditions of DNIEOI are unconditionally accepted by me. I have no objection if any extra term condition, mutually accepted by me and Horticulture Directorate is incorporated into the agreement. AND I do hereby also declare that I am not defaulter by any Directorate / agency of central or state regarding quality compromise or any other reason in connection with similar nature of subsidy scheme / work and there is no ongoing litigation with any Directorate / agency of central / state Government as on closing date of EOI. If subsequently it is revealed after opening of my submission of EOI that my declaration is false, my submission will be treated cancelled, deposited earnest money will be forfeited and other penalty to be decided by the departmental authority will be imposed.

13.	Agreement	Beneficiary shall sign an agreement on the set of conditions as per EoI documents with the authority of Director of Horticulture & Soil Conservation prior to release of subsidy.
14.	Undertaking by the beneficiary.	Beneficiary shall give an undertaking with notary certificate regarding not to sell the property and not to transfer to the created asset.

DATA SHEET AND BROAD TECHNICAL REQUIREMENT.

Name of the item:- Pre-cooling unit.

No. of unit for empanelment:- 11 Nos.**Maximum subsidy per unit:- ₹12.50 lacs**

Sl. No.	Particulars	Details
1.	Minimum size of pre-cooling unit.	Suitable for 6 MT capacity based on the proposed commodities.
2.	Specification	Civil work shall be as per CPWD specification & Mechanical as well as Electrical including cooling system is as per latest guideline & specification of National Horti Board (NHB) and National Cool Chain Development (NCCD). Size & Height of each cool room shall be determine as per guideline.
3.	Type & particular of crop for which proposal submitted.	Beneficiary should mention the crop for which he is submitted the proposal for pre-cooling unit for getting the subsidy.
4.	Eligibility criteria of beneficiary.	Farmers Producer Organization (FPO), SHG / Growers / individual resourceful farmers, experienced bonafied and registered manufacturers / authorized distributors/ authorized dealers, deals with the Horticultural activities as well as progressive individuals interested to deal with the Horticulture activity / Post Harvest Technology as per guideline under MIDH.
5.	Whether exclusively farmers will be the beneficiary.	The beneficiary may handle the commodities grown by the farmers.
6.	Determination of unit cost to assessed the subsidy.	The unit cost to be proposed by the beneficiary based on estimate as per PWD schedule – 2017 and market price of other component supported by MRP document etc. upto 15% for Rural area & 25% for Urban area cost of land may be incorporated to ascertain the project cost and preparation of DPR.
7.	Maximum subsidy amount	Maximum @50% of the accepted project proposal or ₹12.50 lacs for each pre-cooling whichever is minimum.
8.	If more number of application received	A technical evaluation committee will be constituted for the said purpose and

	then how the priority of beneficiary will be fix for empanel to get the subsidy.	recommendation of the committee considering the merit economic viability, structural stability, sustainability and commercial considerations will be final.
9.	Tending authority & implementing agency of the subsidy scheme.	The Director of Horticulture & Soil Conservation is the tending authority and implementing agency of the scheme and shall release the subsidy to the beneficiary account.
10.	Mode of payment & release of subsidy.	Subsidy will be release in maximum 2 phases directly transferring the fund to the credit link bank account or to the specific bank account of the beneficiaries account as backend subsidy. Installment of subsidy will be determine the Director of Horticulture & Soil Conservation.
11.	Whether beneficiary need to furnish any concept paper or any estimate or DPR.	It is mandatory. The beneficiary shall submit detail estimate in/c drawing etc. supported by relevant document & process flow implementing process etc.
12.	Whether transfer of created property is possible.	Upto 5 years from the date of release of last installment of subsidy beneficiary shall continue the activities and property cannot be transferred. However, for unavoidable circumstances with the prior permission of the Director of Horticulture & Soil Conservation it may be transferred or sell.
13.	Agreement	Beneficiary shall sign an agreement on the set of conditions as per Eol documents with the authority of Director of Horticulture & Soil Conservation prior to release of subsidy.
14.	Undertaking by the beneficiary.	Beneficiary shall give an undertaking with notary certificate regarding not to sell the property and not to transfer to the created asset. Beneficiary shall also give undertaking to store the commodities of the farmers of the state with the minimum rate fix up by the Agriculture Directorate.
15.	Land particulars.	Asset may be created on the own land of the beneficiary for which land particulars shall be submitted alongwith the Eol proposal. In case of lease land the lease document shall be submitted and the property cannot be transfer/sell until full amount of bank loan in the credit link bank account is not refund.

DATA SHEET AND BROAD TECHNICAL REQUIREMENT.

Name of the item:- Cool room (staging)

No. of unit for empanelment:- 12 Nos.**Maximum subsidy per unit:- ₹7.50 lacs**

Sl. No.	Particulars	Details
1.	Minimum size of Cool room.	Suitable for 30 MT capacity based on the proposed commodities.
2.	Specification	Civil work shall be as per CPWD specification & Mechanical as well as Electrical including cooling system as well as staging, stacking & storage is as per latest guideline & specification of National Horti Board (NHB) and National Cool Chain Development (NCCD). Size & Height of each cool room shall be determining as per guideline.
3.	Type & particular of crop for which proposal submitted.	Beneficiary should mention the crop for which he is submitted the proposal for cool room for getting the subsidy.
4.	Eligibility criteria of beneficiary.	Farmers Producer Organization (FPO), SHG / Growers / individual resourceful farmers, experienced bonafied and registered manufacturers / authorized distributors/ authorized dealers, deals with the Horticultural activities as well as progressive individuals interested to deal with the Horticulture activity / Post Harvest Technology as per guideline under MIDH.
