

No. F. 7 (50) - AGRI/SARS/AGRO/2018-19/ 6512-16

Govt. of Tripura

Department of Agriculture

State Agriculture Research Station

Dated, A.D.Nagar, the.....2/11/2019

Notice inviting application for participation in the performance trial of Hybrid Paddy during Rabi' 2019

Applications are hereby invited from the interested seed producing companies /authorized dealers for participation in the performance trial of hybrid paddy to be conducted at State Agriculture Research Station, A.D.Nagar and in a suitable Farmers field during Rabi' 2019.

The Format for submission of technical information along with terms & conditions in details can be had from the office of the undersigned on all working days and also can be downloaded from the website- www.agri.tripura.gov.in

Terms & Conditions

1. Applications along with duly filled in format (A) and related copies of technical information of the Research & Development (R & D) Division of the participating companies about the suitability of new Hybrid Paddy under acidic soil and agro-climatic condition of North Eastern Region of India will be received **up to 20th November, 2019 up to 5.00 PM.**
2. Only one new Hybrid Paddy variety of a producing farm will be allowed. Yield performance trial of maximum 10 (Ten) samples of Hybrid Paddy shall be put on trial during Rabi season, 2019 on 'first-come, first-served basis'.
3. Only those Hybrid Paddy varieties falling within 5 (Five) years of notification by the Government of India will be considered for inclusion in the varietal trial programmes of the Department.
4. A Trial Committee shall scrutinize the applications, duly filled in formats and copies of related technical information in support of Hybrid Paddy and also prepare a list of prospective hybrids for inclusion in the Trial programme based on the morphological characters claimed by the concerned company's Research & Development (R & D) Division.
5. The shortlisted companies/ their authorized local dealers shall have to deposit trial fees in advance by Cash / Cheque / Draft / RTGS @ Rs. 3000/ only, each for conducting 2 (Two) simultaneous trials of each hybrid at SARS as well as selected Farmers field with 2 (Two) separate seed samples of 1 (One) kg each for both the trials by **30th November, 2019 up to 5.00 P.M.**
6. The Trial committee will thoroughly scrutinize the results of trial and identify the best performing hybrids from among the tested hybrids based on the following norms:

- i) The candidate hybrid should be uniform for important characters like plant height, maturity etc.
 - ii) The candidate hybrid must be stable for the key traits such as resistance to a specific insect pests & diseases.
 - iii) The candidate hybrids should possess some distinct diagnostic features including yield attributing parameter in respect of grain yield making them different/identifiable from extant hybrid.
7. The Trial committee may exclude any hybrid from the subsequent trial programme if the yield of tested hybrid fails to give 10 % yield advantage over the yield of popular check variety.
 8. The undersigned reserve the right not to issue any performance report in favour of the candidate Hybrid, if there is any damage to the crop at any stage of growth due to natural calamities.
 9. Other Terms & Conditions shall be followed as per Memo. issued vide No. F. 21(3-4) Agri (SS)/2017-18/1255-69, dated 16/07/2019.

FORMAT - A

Format to be submitted along with required technical information for conducting performance Trial on Hybrid Paddy during Rabi'2019.		
Sl. No.	Particulars	Details
1.	Name of company with full address : -	
2.	Local Address of Company/ Dealer : - (If Differ from Sl. No. 1)	
3.	Name of Local Contact Person/ Authorised Local Dealer in Tripura:-	Phone No:- Fax No: - Mobile No:- E-Mail ID:-
4.	Name of Hybrid :-	
5.	Year of release : -	
6.	Duration(Days) : -	
7.	Expected Yield (M.T/Ha) : -	
8.	Other Features	i. Suitable growing season:- ii. Plant height(cm): iii. Grain Type : iv. Amylose content (%):- v. Resistant to Insect-Pest & diseases:

Certificate:-

I hereby certify that the above information about the sample of hybrid Paddy seeds to be provided for performance trial is not Genetically Modified (Non GM) and does not contain any Bt gene.
